

SUSTAINABLE HYGIENIC AESTHETIC PUMP EVOLUTION

**Advanced design**

The design delights and complements hotel bathrooms with a crisp, bold aesthetic, setting fresh contemporary accents. Further, shape appeals with its innovative functionality and high comfort of use.

**Technology equipped with best-in-class safety**

Engineered for precise, effortless dispensing, a simple finger press is all it takes for the exact amount of shower gel, soap or body lotion. No drips - clean and efficient. A secured pump lock prevents germs from entering the interior of the cartridge, so your hotel guests benefit from a maximum of hygiene and safety.
